Dear Parents,

I wanted to take this opportunity to share some exciting news with you all.

Recently we were notified that the school had been nominated for an award in the Education Business awards. Their website states that...

The Awards has pioneered the recognition of school achievements since 1998, reporting on thousands of school success stories.

The COVID 19 pandemic has placed a huge burden on schools to provide a continuing education to the nations children throughout the crisis. Now, more than ever, it is essential that we continue to recognise their achievements and to acknowledge the vital role they play in helping the country to bounce back.

The 2021 Awards will be presented live on line by celebrity host Jeff Brazier. Now a weekly presenter of BT Sport Score, and ambassador for People's Post Code Lottery and a regular presenter on Talk radio, Jeff is a qualified Life Coach and Grief Counsellor. His first book The Grief Survival Guide was published in 2017.

We were nominated in the "Outstanding Progress (Primary)" Category and I am delighted to announce that we won the award against some really outstanding schools. Having spoken to the judging team, they were impressed by pupil progress over the last three years, the school vision and values and our desire to thoroughly prepare our children to make a positive contribution to society as they grow older. This award is a real testament to the staff and pupils of the school, whose hard work and belief in all that we are trying to achieve has pushed the school from strength to strength.

Whilst this is a wonderful end to the academic year, this recognition will continue to spur on the whole school community in making Eldersfield Lawn CE Primary School, the best school it can be.

Thank you for your continued support,

Kindest Regards

Anthony Dixon-Gough
