

THE CHANGING ONLINE LANDSCAPE:

Understanding the risks and opportunities faced by children and young people today.

The workshop will be led by Ollie Welsby, the lead consultant at Brightcore Consultancy. Ollie has worked with over 750 schools and a number of local authorities to support and improve their safeguarding, and also mental health and wellbeing provision. He trains both Designated Safeguarding Leads and Designated Senior Mental Health Leads nationally, is also a highly experienced Mental Health First Aid Instructor and regularly speaks at sector conferences on the topics of safeguarding and mental health. He is known for his dynamic, authentic and non-judgemental approach to all aspects of his delivery.

WHAT TO EXPECT

During this 90-minute session we will focus on understanding the developing online world, including the changing risks for children and young people who are operating online in ever increasing amounts of time each day, including from a mental health and wellbeing perspective. We will look at how we can respond to these developments positively from a parental and educational perspective, ensuring our children are both protected and supported whilst engaging in the exciting and ever developing online world.
