

Eldersfield Lawn C.E. Primary School Student Council Meeting

Autumn Term 23rd October 2024

Pupil Governors present:

Harvey, Lara, Rupert, Blue, Grace, Robyn, Henry, Maddison, Saoirse, Martha W

Miss Hindle invited each pupil governor to share any ideas they had for the school council with the newly elected group. It was explained that feedback from these meetings could be provided to all classes during a Monday assembly.

Grace, Henry, Maddison and Robyn shared the idea of serving hot chocolate at the end of the school day. They would make some posters to advertise this and we would aim for the third week after the October half-term on a Friday. A suggestion of £1 for plain hot chocolate and £1.50 with marshmallows and cream was made by the group. Arrangements about how this would need to be organised were discussed.

Some of the group were interested in an after school cookery club. Views would be collected from the classes to see about the interest.

The group would also collect children's views from all classes about children's thoughts on school lunches. Miss Hindle would share some of the questions which were included in the parent survey to help with this. Maddison and Robyn volunteered to collate the results from each class once these had been collected.

The next school council meeting would be held during the spring term 2025.
