MESSAGE FROM THE HEADTEACHER

Church and School Partnership Award

We are delighted to share that the school will shortly be receiving the Church and School Partnership Award! To make this extra special, we are one of the first ten schools in the Worcestershire Diocese to receive this! Plans are currently being arranged for the presentation of the award through the Diocese which our school and church community will be invited to attend. Once we have a date and time we'll let you know as soon as possible. Thank you to Rev. Julie and Dawn Holt for the input they provided in helping us with the application and for all the work that goes on daily in Eldersfield School as part of a whole school team effort on this wonderful achievement.

Internet Safety

Please see the links below which we've also uploaded to our school website. These provide helpful support to parents in keeping children safe online. The Kidsonline posters include prompts and guidance around social media language, including the meanings of emojis.
