## School 11th September 2026

### MESSAGE FROM THE HEADTEACHER

#### Welcome Meetings

Next week are the class welcome meetings. (a paper copy of the letter was sent home and this was shared by the parent forum class reps.) We hope you will find these meetings useful as they will outline class information and the new routines for the new school year. If you require supervision for your child during the meeting time and if they do not normally attend the after-school provision, we will offer support of supervision on this occasion. It is important that you please let us know in advance please if you require this arrangement as additional plans may be needed around staffing.

#### After-school provision

Thank you to those parents who have already booked the after-school provision well in advance. This is essential to help us establish the new routines and around other after-school activity clubs. Please remember, the cut off date for all bookings needs to be made on the Wednesday in line with the school lunch bookings. If you have not already booked in for the sessions which you require next week, then allowance will be made for us to receive booking by 9am Monday morning, but no later for next week only.

#### Celebration Assembly

Congratulations to our Stars of the Week and thank you to the children who brought in their own individual achievements. We welcome these from different children in all year groups across the year each Friday.
