He who has compassion on them will guide them and lead them beside springs
of water. – *Isaiah 49:10*

MESSAGE FROM THE HEADTEACHER

Supporting Children in a Digital World

We have linked some useful information for parents as a Practical Guide to help support your child at home to raise awareness of how children can keep safe in the digital world. The guide is called 'What I Wish my Parents or Carers Knew'. This information has been signposted to us by Worcestershire County Council. [Link Here](#)

Mental Health and Wellbeing

During the week of 9th February, we will be arranging a mental health/well-being day for all children. This will include a selection of activities focusing on positive mind set, resilience and reflection. We have also added an attachment with information to an NHS funded service which includes adventure games to help children manage their fears and worries. It is called Lumi Nova and is aimed to support children in key stage 2 (7-12 years old). We hope you will find this of benefit.

Parent Appointments

Thank you to those of you who have booked your individual appointment times. There are still spaces available and as you know, we will work with you to find a convenient time to suit. We are also inviting children in Year 3-5 to attend these meetings with you as an option if you feel this would be valuable.

Year 5 Maths

There has been good focus seen by the Year 5 group this week and we are now moving on from our fractions unit to look at multiples and factors as the next area of focus. Lots of house points have been awarded for great effort, so keep up the good work!

CLASSROOM NEWS HIGHLIGHTS

Class 1 - The class have been building 3D Rockets for their journey to find the Smed's and the Smoo's and have been making pink milk.
